

Admission criteria:

Each session has a set age requirement. Children must be of the age required by the last day (Friday) of the session for which they are registering.

Children must be fluent in the language of the session for which they are registering.

A child may be registered in only 1 session per season.

How to register:

To register one or more children for a session, you must complete one registration form per child (copies accepted). You may pay by cash, cheque, Visa, MasterCard or Interac.

Registration forms will not be accepted if the child's medicare number is not included.

Subject to availability, a child's registration may be changed from one session to another for a fee of \$20.

Methods of payment:

Half-day camps: payment must be made in full upon registration. No post-dated cheques will be accepted.

Full-day camps: at least one half of the payment with a cheque for the balance payable no later than May 1st 2010 must be remitted at the time of registration.

A tax receipt will be issued to you at registration at no charge. Duplicate receipts can be issued for a \$20 fee.

A visit to the marsh gives campers the unique opportunity to participate in an amphibian census.

Refund policy:

If, for any reason, the Ecomuseum Zoo must cancel a session, a full refund will be given.

If your child is registered and cannot attend camp, you will receive a refund of 90% of the total registration fee if you cancel on or before April 30th 2010.

No refunds will be given on or after May 1st 2010 unless cancellation is due to illness and a doctor's note is presented as proof.

We reserve the right to dismiss, without refund, any child from the camp if he/she misbehaves.

* Registration is not transferable.

NATURE CAMP:

This unique camp provides a "hands-on" approach to nature. Small groups of campers have a chance to interact with animals and discover nature.

Children will learn how to care for animals and observe animal behavior. They will discover nature through bird watching, insect collecting, crafts, games and much more.

Half-day camps (for children 5 to 7 years of age) are from 9am to noon or 1pm to 4pm.

Full day camps (for children 6 to 11 years of age) are from 9am to 4pm.

Registration is limited to 14 participants for each session. Reserve early!
